

## 2015 Winter Weather Fatalities

There were 20 winter storm deaths in 2015, almost tying the 2014 and 2013 total of 21. This number is still below the 10-year average of 26. Texas numbered the most fatalities, 4, followed by Idaho and Kentucky with 3 each. The most hazardous place to be in the winter of 2015 again was in a vehicle, where 9 (45%) died. More males died than females: 11 (55%) vs. 6 (30%) female winter fatalities; 15% of winter death were marked unknown.
